International Conference on 5G

Tokyo University of Science, Japan | November 9-12, 2019

2019

www.ic5g.com

IC5G aims to investigate the opportunities and in all aspects of 5G based systems and related technologies. In addition, it seeks for novel contributions that help mitigating 5G challenges. It co-located with 2019 The 3rd International Conference on Telecommunications and Communication Engineering, to be held in **Tokyo University of Science, Japan**, during **November 9-12, 2019**. It provides opportunity for audiences to discuss and exchange new ideas, novel results and experience on all aspects of 5G systems and communications.

Proceedings

Accepted and presented papers will be include in **ACM Proceedings (ISBN:978-1-4503-7180-3)**, include in ACM Digital Library, **Scopus and Ei compendex**.

Key Dates

Abstract Submission deadline: **July 5th, 2019**

Full Paper Submission deadline: **July 10th, 2019**

Notification Deadline: **July 30th, 2019**

Registration Deadline: **August 20th, 2019**

Conference Topics

- ◇ 5G applications, services and Testbeds
- ◇ 5G Architecture and design
- ◇ Coordinated and small-scale cell communications
- ◇ Device-to-Device Communications and networking
- ◇ Dynamic Beamforming techniques
- ◇ Free Space Optical communications
- ◇ Green networking in 5G
- ◇ Heterogenous cells and communications
- ◇ IoT networking in 5G
- ◇ Massive MIMO Communications
- ◇ Millimeter wave communications
- ◇ PHY, MAC, routing novel communication protocols for 5G
- ◇ Security and privacy for 5G
- ◇ Social-aware 5G networks
- ◇ Software Defined Radio and Dynamic
- ◇ Spectrum Access in 5G Networking
- ◇ Spectrum utilization and sharing
